

In the Neighborhood

National Crime Prevention Council

In the Neighborhood

- Get to know your neighbors.
- Start or strengthen your Neighborhood Watch program.
- Look out for each other's children.
- Help those who need a hand in making their homes more secure.
- Involve teenagers in the neighborhood's safety.
- Invite neighbors to work together on all sorts of community projects.

In the Neighborhood (continued)

- Get involved in your neighborhood and at the community level.
- Find out whether your community has community policing.
- Find out who's working to help keep kids out of trouble.
- Be a volunteer or mentor.

To, From, and at School

Best Practices for the Children

School Safety Tips

- Check out the route your child takes when going to school.
- Make sure your child travels with others to and from school.
- Tell your child that anything that makes him or her uncomfortable or suspicious should be reported immediately to you and to school officials.
- Ask about the safety plan for your child's school.
