**ELECTRIC RATES (cont.)**

**Special Facilities Charge**

The City will furnish and install facilities not normally required for service. The customer will pay to the City either (at the Customers option) a total facilities charge or a permanent monthly facilities charge of 2.0% per month of the installed cost. The facilities charge will be calculated by subtracting the standard facilities from the requested facilities. If and/or when the customer's load reaches the load capacity of the additional facilities, this Special Facilities Charge will be removed.
